STM Year in Review

Unless the LORD builds the house, those who build it labor in vain. Psalm 127: 1a (ESV)

The end of December is always a good time to reflect on the Lord's work throughout the year. In 2016, he was faithful to continue the opportunities for short-term service in Quebec, the Czech Republic, Uruguay, Japan, and even some short stints in Haiti. Domestically, teams traveled to the Menominee Reservation in Zoar, WI, and to Magna, UT, San Antonio, TX, and Wildwood, NJ.

A big highlight was the Lord's development of the work at the Boardwalk Chapel in Wildwood, NJ. The work is growing by leaps and bounds. It is becoming a spectacular domestic opportunity with an increasingly "foreign missions" aspect to it, as the staff discovers new ways to interact with some of the thousands of international workers who come to Wildwood for summer jobs. The Chapel's summer staff receives training in evangelism and apologetics, and ample opportunity to put what they've learned into practice on the boardwalk. In addition, church youth groups are welcome to come for a week at a time to participate in the work.

We look forward to seeing what the Lord has in store for us in 2017! Stay tuned to OPCSTM.org as opportunities become available for short-term service at home and abroad.
