## 10<sup>th</sup> Anniversary of Hurricane Katrina

Hurricane Katrina struck 10 years ago – August 29, 2005. Although not fully staffed to do so, the OPC Administrative Offices met the challenge of organizing a very productive relief effort. But the experience led the OPC to recognize that the time had come to establish a permanent disaster response ministry, with a full-time coordinator at the ready, in order to be better prepared to demonstrate the love and compassion of Christ in tangible ways the next time disaster should strike ...
