2013 Short-Term Missions Season Begins

"Therefore I will give thanks to You, O Lord, among the nations,
And I will sing praises to Your name."
2 Samuel 22:50 (NASB)

Karamoja, Uganda  Months of praying, planning and preparing are beginning to bear their fruit as we enter the summer months. Since late May, a team from the RPCNA, has been working with our mission in Karamoja, Uganda. The school program they’re running has swelled from 11 kids on Monday to 95 on Friday!

Key West, Florida  Here in the US, a team from Covenant OPC in Orland Park, Illinois has spent the week under Pastor Bill Welzien’s tutelage, witnessing firsthand his gospel presentations in Key West, Florida, and receiving classroom instruction on evangelism.

North, South East and West  Within a week’s time, the first of four teams will head North to Quebec to work with Missionary Ben Westerveld running the summer’s first English for Kids summer camp. A team from the Presbytery of Southern California will fly South to Haiti to minister with Missionary Ben Hopp through a VBS program to children in various churches there. During the second week of July, the first of two teams to the Czech Republic will fly East to help Affiliated Missionary Jerry Farnik run an English Camp outreach. About the same time, we will send a team West to the Sendai area of Japan to continue the ministry to the victims of the tsunami of March 2011.

Travel Insurance a MUST for Travel Abroad
Probably one of the most frequently forgotten items is travel medical insurance! Many don't realize that when they board a plane and leave their home country, there is a good chance that they are no longer covered by their health insurance. They may be a long ways away from the local emergency room! All members of OPC teams must have travel insurance! There are many good companies to choose from. Find out what David Nakhla typically purchases for teams at http://opcstm.org/resources/

Is your church's opportunity listed? Would you like a team this summer or at another time to help you? Please visit www.opcstm.org for more information on opportunities to serve. If you have a project or ministry opportunity that you would like to discuss with Short-Term Missions and Disaster Response Coordinator David Nakhla, please contact him by phone 562-760-7606 or e-mail at nakhla.1@opc.org.
