Thanksgiving is a wonderful time for reflecting on the Lord's goodness to us over the past year. His gift of goodness does not always come painted with colorful flowers and glowing sunshine. Rather, we may find that we have to peer through the dark clouds and stormy skies to discover His goodness, love, and care for us. And yet, isn't it interesting how often it is in those times of distress and trial that we find the Lord to be so near. We have many reasons to thank the Lord pertaining to Hurricane Sandy:

- He preserved the OPC with no loss of life
- He united two congregations as one (Faith Bible Church + Redeemer OPC = Faith Bible OPC in Brick, New Jersey)
- He raised up two diligent and capable servants to serve as site coordinators both in New York and in New Jersey
- He led many to contribute towards the Sandy Response efforts in the amount of $179,000

OPC Spared in Midwest Tornadoes

Following the news of the destructive tornadoes that ripped through the Midwest on November 17th, we were thankful to learn from our deacons in the Presbytery of the Midwest that our OPC church buildings and congregations had not been directly affected by the very severe weather. We also received good news from our sister denomination, the URCNA, that they, too, had escaped harm. Praise the Lord!

Typhoon Relief Fund Established
