Short-Term Outreach, Relief & Missions

From the Office of the Short-Term Missions Coordinator

Vol. 5, Issue 9  
October 26, 2016

## Focus On: Missionary Associates

*Get Mark and bring him with you,  
for he is very useful to me for ministry. 2 Tim 4:11 (ESV)*

It's been a blessing to see how God can use short-term missions to lead people on to further service as Missionary Associates! OP mission fields in Asia, Czech Republic, Haiti, Japan, Quebec, Uganda, and Uruguay have all welcomed MA's who were introduced to missions through short-term missions.

Every S.T.O.R.M. Report includes an update on Missionary Associate openings. This month, we focus exclusively on those openings, which include a **November 1st** deadline for applicants who may be interested in serving in Asia starting in February 2017. If you have contemplated service as a Missionary Associate but need to know a little more about it, we are taking this opportunity to provide some details for you.

### The objectives of MA service are:

- to assist a foreign Mission in its evangelistic outreach and other tasks
- to test an individual's gifts for long-term service as a foreign missionary
- to enrich the MA's life for greater service as a member of their local church

### Basic requirements for service as an MA are:

- communicant membership in good standing in an OP church or church of like faith and practice
- personal doctrinal convictions that align with Reformed theology
- availability to commit to at least three months, though preferably one or two years, of service

### Specific duties of the MA are:

- determined by the Mission according to its needs, the cultural situation, and the gifts of the MA

### The MA application procedure includes:

- completion of forms required by the Committee on Foreign Missions
- assessment of the applicant's training and experience to determine if he or she is qualified for the tasks assigned by the Mission
- approval by the Candidates Committee in consultation with the Mission
- potential field-specific requirements

### Financial considerations for the MA:

- the Committee on Foreign Missions does not provide salary, housing, fringe benefits, or travel funds for the MA
- the Committee and the Mission will help the MA develop a personal budget
