Short-Term Outreach, Relief & Missions

FROM THE OFFICE OF THE SHORT-TERM MISSIONS AND DISASTER RESPONSE COORDINATOR

Vol. 8, Issue 5

Setting Out Two by Two

*...he called the twelve and began to send them out two by two...
Mark 6:7 (ESV)*

A trend on the rise in the OPC is married couples or pairs of friends setting out, "two by two," in response to the need for volunteers on a foreign or domestic STM or disaster response field.

So far in 2019, husband and wife teams have:

- Coordinated hurricane relief efforts in North Carolina
- Installed laminate flooring at the Keys OPC facility in Key West, Florida
- Helped present the English Club outreach program in Montevideo, Uruguay
- Cataloged and organized the Reformation Book Room in Mbale, Uganda

In recent years, in addition to other husband and wife teams, we've also had a father and son team serve in Quebec, a father and daughter team serve in Key West, and two-man teams serve in Uganda and Haiti.

Short-term missions does not just have to mean joining a large established team or trip. More and more friends and couples are finding opportunities to serve as a team of two on our foreign mission fields and at other OPC churches.

Visit OPCSTM.org and scroll down to "Photos and Testimonials" to learn more.

It is not too late to participate in summer short-term missions!

Current Opportunities: There are openings for individuals or groups to serve in Japan, Asia, Quebec; on the Menominee reservation in Wisconsin; at the Boardwalk Chapel in Wildwood, New Jersey; and in Naples, Florida, and San Antonio, Texas.
