OPC Short-Term Missions Opportunities

OPC Short-Term Missions is down, but not quite out! It has been hit hard by the results of the mandates due to the COVID-19 virus, that is for sure. But this summer, with the vaccine distribution underway, Lord willing, we just may be able to get a few ministries in for the summer of 2021.

The Uganda Mission

Here are just some ways that individuals might be able to serve the mission:

- One to oversee the farm project
- Those willing to participate in facility maintenance
- Those willing to participate in the care and teaching of missionary children

English Camp for Kids, Quebec City, 2021

Calling all Canadians! This year St. Marc's Reformed Church in Quebec cannot receive Americans to help with their English Camps for Kids. So, we need your help to get the word out to your friends living in Canada. We will

need about 10 volunteers. Pastor Ben will need to hear from you by April 1st, if you can help!

English Café in Quebec City

St-Marc's Reformed Church in Québec City, where OP Missionary Ben Westerveld is the Pastor, welcomes you to come to Quebec and do friendship evangelism by hosting a “Café Anglais” (English Café). This opportunity includes reaching out to French-speaking citizens in public venues and a university campus. Travel restrictions may apply during the pandemic. Be sure to contact Pastor Ben with any questions.

The Boardwalk Chapel 2021

There are many different opportunities to serve at the Boardwalk Chapel this summer:

- work groups
- church groups
- staff -- paid & volunteer positions urgently need to be filled
- training

Because of the pandemic, some OPC STM fields have had to cancel their plans, while others are prayerfully deciding. Updates can be found on our website: opcstm.org.

Should VBS Be a Priority During COVID?

by Trish Duggan

The quick answer is, of course, yes, if at all possible.

With all the government mandates across the world, we've all slowly become accustomed to “sheltering in place”, not seeing friends, not having an opportunity to fellowship and we've spent more time inside watching tv or on our devices. And we know that if we aren't actively working to have the Lord take up residence in our kids' hearts and minds, we are allowing other influences to do so. Powerful words. And so true. VBS is often one of the most convenient short-term missions for us to do!

COVID-19 has had a ripple effect in almost all aspects of our lives, wouldn't you say? Restrictions due to COVID-19 have limited worship, Sunday School, fellowship and encouragement to each other. And it's had a prominent effect on VBS—that amazing, unique way we use to introduce children to Jesus while making the church approachable and familiar.
